

# PLS-CADD Seminar

## Design of Overhead Transmission and Distribution Lines using PLS-CADD

January 16 - 20, 2017

1:00 PM to 5:30 PM Monday  
8:30 AM to 4:30 PM Tues.-Thur.  
8:30 AM to 12:00 PM Friday

at

Power Line Systems, Inc.  
610 N. Whitney Way  
Suite 160  
Madison, WI 53705

**Learn the Industry  
Standard in Overhead Line  
Design Software**

PLS-CADD is the industry standard in overhead line design and drafting software. This course will teach the attendee how to use PLS-CADD on a transmission or distribution project from start to finish, including importing survey data, criteria development, structure design, conductor sagging and Plan & Profile drawing development and plotting.

### Topics Covered

- General Overview
- Survey data/Terrain modeling
- Engineering
  - Design criteria
  - Sag-tension calculations
  - Clearance calculations
  - Structure calculations
  - Manual spotting and stringing
  - Automatic spotting
- Generating construction documents: Staking Tables and Plan & Profile Sheets
- PLS-CADD/LITE
- PLS-POLE
- PLS-POLE integration with PLS-CADD
- Transmission Lines
- Distribution Lines
- Use of Finite Element Sag-Tension when Ruling Span is not accurate

### Who Should Attend?

This course is open to all engineers and technicians whose companies currently use PLS-CADD or are considering purchasing it. The attendee should have some basic understanding of overhead line design concepts as the class focuses on the use of the software and not on the fundamentals of line design.

### Cost

The class costs \$1800 per person.

### More Information

A registration form is on the back of this brochure. Seats are limited to the first 44 registrants. We must receive payment and your registration form in order to reserve your seat.

Please see our web site at <http://www.powline.com/news.html#training> for other classes.

## Instructor

The course will be conducted by Otto J. Lynch, P.E., Vice President of Power Line Systems. He has more than 26 years of experience in transmission line design and has used PLS-CADD since its inception. Otto is a registered Professional Engineer and is an active member of many ASCE, IEEE, and ANSI technical committees, including past-Chair of the ASCE Structural Engineering Institute's Electrical Transmission Structures Committee. He is also a current member of Subcommittee 5 of the National Electric Safety Code. In 2012, Otto was the ASCE Gene Wilhoite Innovations in Transmission Line Engineering Award Winner. He was inducted as a Fellow to SEI in 2012 and a Fellow to ASCE in 2015.

## Details

The class will be held from 1:00 PM to 5:30 PM Monday, 8:30AM to 4:30PM Tuesday through Thursday and from 8:30 AM to 12:00 PM on Friday (training room opens 15 minutes before class start each day). The course will be conducted at Power Line Systems headquarters in Madison, Wisconsin (point A in the map below). Lunch will be provided Tuesday through Thursday. Attendees are responsible for all other costs incurred including lodging. Please see <http://www.powline.com/visiting.html> for a detailed map of Power Line Systems location and listings of area hotels.

## Computers and Software Provided

This is a 'hands-on' class where attendees will be learning by actually using PLS-CADD. A computer, hardware key, and the latest PLS-CADD software will be provided by Power Line Systems for each attendee for the duration of the class.

*Any audio or video recording of the class is strictly prohibited.*

## PLS-CADD Seminar Registration Form

January 16 - 20, 2017 in Madison, Wisconsin, USA

*Each attendee must submit a completed form to register – please print.*

*Please fax completed forms to (608) 238-9241*

### Attendee Information

Name (First/Last) \_\_\_\_\_ Phone \_\_\_\_\_  
Company \_\_\_\_\_ Fax \_\_\_\_\_  
Address \_\_\_\_\_ E-Mail \_\_\_\_\_  
\_\_\_\_\_  
City \_\_\_\_\_ State \_\_\_\_\_ Zip \_\_\_\_\_

### Payment Information

Full payment is required prior to the class and must be received in order to reserve a seat. Seats are reserved on a first-paid first-reserved basis and are limited to 44 people.

Check No. \_\_\_\_\_

I authorize Power Line Systems, Inc. to charge my \_\_\_MasterCard \_\_\_Visa for the amount of \$1800. Note that Power Line Systems can only accept MasterCard or VISA credit cards. All attendees will be supplied with a computer, the PLS-CADD software and hardware key to use during the class.

Cardholder Name \_\_\_\_\_ Signature \_\_\_\_\_

Card No. \_\_\_\_\_ Expiration Date \_\_\_\_\_

Credit Card Billing Address \_\_\_\_\_

(if different than above) \_\_\_\_\_

City \_\_\_\_\_ State \_\_\_\_\_ Zip \_\_\_\_\_

### Cancellation Policy

Confirmed registrants who do not participate or who cancel after December 31, 2016, will forfeit their entire registration fee. Power Line Systems, Inc. reserves the right to cancel the training session and will refund the entire class registration fee in the unlikely event this happens.
